## 24 Credit Graduation Requirements for Standard Diploma

These courses meet the graduation requirements as established by the Florida Department of Education (Florida Statute 6A-1.09961)

## CORE CLASSES

| Mathematics Requirements (4.0 Credits) |  |  |  |
| :--- | :---: | :---: | :---: |
| Course Name | Course \# | Weight | Grade |
| Algebra I | 1200310 | 1.0 | $9^{\text {th }}$ |
| Geometry | 1206310 | 1.0 | $10^{\text {th }}$ |
| Algebra II | 1200330 | 1.0 | $11^{\text {th }}$ |
| College Algebra | 1200700 | 1.0 | $12^{\text {th }}$ |

| English Requirements (4.0 Credits) |  |  |  |
| :--- | :---: | :---: | :---: |
| Course Name | Course \# | Weight | Grade |
| English I <br> Exploring Lit | 1005330 | 1.0 | $9^{\text {th }}$ |
| English II <br> World Lit | 1005300 | 1.0 | $10^{\text {th }}$ |
| English III <br> American Lit | 1005310 | 1.0 | $11^{\text {th }}$ |
| English IV <br> British Lit | 1005310 | 1.0 | $12^{\text {th }}$ |

| Science Requirements (3.0 Credits) |  |  |  |
| :--- | :---: | :---: | :---: |
| Course Name | Course \# | Weight | Grade |
| Biology/Lab | 2000310 | 1.0 | $9^{\text {th }}$ |
| Physical Science | 2003310 | 1.0 | $10^{\text {th }}$ |
| Chemistry/Lab | 2001340 | 1.0 | $11^{\text {th }}$ |
| Other |  | 1.0 | 12 th |

| Social Studies Requirements (3.0 Credits) |  |  |  |
| :--- | :---: | :---: | :---: |
| Course Name | Course \# | Weight | Grade |
| World History | 2109310 | 1.0 | $9^{\text {th }}$ |
| American History | 2100310 | 1.0 | $10^{\text {th }}$ |
| American Gov | 2106310 | 0.5 | $11^{\text {th }}$ |
| Economics | 2102310 | 0.5 | $12^{\text {th }}$ |

Foreign Language Requirements (2.0 Credits)

| Course Name | Course \# | Weight | Grade |
| :--- | :---: | :---: | :---: |
| Spanish I | 0708340 | 1.0 | $10^{\text {th }}$ |
| Spanish II | 0708350 | 1.0 | $11^{\text {th }}$ |
| Other Foreign Lang |  |  |  |

| Health and Physical Fitness Requirements (1.0 Credit) |  |  |  |
| :--- | :---: | :---: | :---: |
| Course Name | Course \# | Weight | Grade |
| Physical <br> Education | 1501300 | 0.5 | $9^{\text {th }}$ |
| Health/Life <br> Science | 1800300 | 0.5 | $9^{\text {th }}$ |

## General Electives Requirements

Elective credits are needed to complete the 24 Credit graduation requirements. Elective credits vary and student must see what courses are offered at their high school. When applying to college, admissions check that students have all their core classes including 2 language courses.

## Core Classes

Students should be taking 6 credits per year to complete requirements for graduation with at least 4 of those being core. Although Science and Social Studies only require 3 core classes, it is recommended that students take 4 in each area. This looks better on the final transcript.

## Required GPA to Graduate

Students require a minimum Unweighted 2.0 GPA to graduate with a standard high school diploma.

## Weighted Courses

Advanced Placement: The curriculum is more challenging and final grade will affect a student's weighted GPA. To pass the course and earn credit, the student must pass a state issued AP course.

Honors Courses: The curriculum is more challenging than the standard course. Final grade will affect a student's weighted GPA.

NOTE: High Schools report weighted and unweighted GPA (Grade Point Average). Colleges look at the unweighted GPA. A large load of AP and Honors classes may lower the student's Unweighted GPA.
